

The Falmouth Hotel is one of Cornwall's best located hotels situated opposite Castle Beach, with spectacular views over Falmouth Bay. The hotel consists of 71 bedrooms forming individual styles and views, our Castle View Restaurant and Bar, leisure and spa facilities with an indoor swimming pool and fully equipped gym, and various events spaces which accommodate meetings, functions, weddings and events. The Falmouth, following a recent takeover, is now part of The Cornwall Hotel Collection and operates alongside The Greenbank in Falmouth and The Alverton in Truro.

Now under local ownership after 20 years, we are working hard to develop the hotel and as such a development plan for The Falmouth Hotel's new chapter is very much underway. With the growth of the business, we are now looking for hospitality individuals to join us on our journey as we embark on our new beginnings. If you have a background in hospitality and would like to join a development journey not only for the business but for yourselves; we'd very much like to hear from you.

As part of our recruitment plans, we are looking to recruit Hotel Porters on a full-time basis, working to the needs of the business, either days or nights. Our team of porters are a vital cog in the day-to-day running of the hotel. From a warm welcome to our guests on arrival, and providing support for the reception team, to helping guests with their luggage, delivering room service, and assisting our maintenance team – each day is different as a porter.

What we need from our Hotel Porters:

Always ready and waiting to assist around the hotel, if you love being on the go, you are organised, and you enjoy working with others – a role in our team of porters may be the perfect fit for you.

The porter role is a physical job which will require speed, strength and efficiency. You must have great customer service skills and be able to think on your feet, to always ensure we do our best to help all guests.

The ideal candidate will have excellent communication skills, a positive 'can-do' attitude and the ability to develop good working relationships with staff members.

Flexibility on hours required, ideally the role would suit a full-time employee; however part-time will also be considered. Weekends and seasonal holiday working patterns form part of this role. The salary will be discussed upon background and experience at the interview stage. Development and career opportunities will be available to the right individuals following probationary period reviews.
